RE: Maple Lake Academy License
Human Services License Number: RT-115005/RS-109490

To whom it may concern:

This letter serves as confirmation that Maple Lake Academy girls' home, license RT-115005 / RS-109490, is currently licensed by the Utah Department of Human Services.

Maple Lake Academy is currently involved in an appeal proceeding with the residential treatment center licensing department for the State of Utah. While the department has recommended revocation of Maple Lake's license, Maple Lake's license is not currently revoked. Maple Lake remains licensed and authorized to operate their treatment programs under a conditional license. Maple Lake is disputing the allegations listed in the department's intent to revoke notification. A hearing before an administrative law judge is currently scheduled for August 15 and 16, 2022, and at that hearing, the administrative law judge will determine what the appropriate resolution is in relation to the department's issuance of an agency action against Maple Lake Academy.

Sincerely,

Amanda Slater
